

Ahmad Sabili Alghifari

Front End Developer

ABOUT

A recent Information Systems graduate with internship experience as a Front End Developer. Skilled in translating design concepts into user-friendly websites. With a proactive approach to problem-solving and a commitment to staying updated with the latest technologies, I am ready to contribute effectively to innovative projects in front-end development.

EXPERIENCE

Web Developer Intern

Reach U Solutions

December 2023 - February 2024

- Learned HMVC (Hierarchical Model View Controller) methodology for related projects, involving control separation into separate modules.
- Developed and added new features to the ongoing website project, following project requirements and specifications set by the mentor.
- Learned structured, neat code writing to implement guidance provided by the mentor.

Front End Developer Intern

PT. Ardiona Sinergi Kreatif

October 2021 - December 2021

- Implementing UI design elements into website interfaces.
- Adding animations, transitions, and other visual effects to enhance user experience quality and make websites more engaging.
- Ensuring websites function well across various devices and screen sizes, including desktop, tablet, and mobile.
- Learning the CSS BEM (Block-Element-Modifier) writing methodology.

Data Entry Part Time

Vaksinasi Merdeka Polda Metro Jaya

September 2021 - October 2021

- Entering vaccinated individuals' data into the P-Care system
- Reporting vaccinated individuals data to the central authority for reporting and monitoring purposes
- Ensuring all necessary equipment for the vaccination process is available

Administrative Staff

Paud Nurul Iman

July 2018 - December 2021

- Input student data for incoming and outgoing students in the Dapodik application
- Prepare correspondence for school purposes, including letters to students, parents, or other parties related to school activities
- Assist the school principal in designing the school budget using the ARKAS application, including collecting necessary data and information and assisting in the budget preparation process
